# **Family and Community Resource Guide**

**Updated January 2026**

This updated version of the Resource Guide is a result of a collaborative effort of Community Action, Inc. (CAI) WIC, Head Start, Family & Community Connections, Family Day Care and the Haverhill Public Schools.

This Guide was originally developed by CAI Head Start staff and parents. It was sponsored by the Head Start Collaboration Project of Massachusetts, funded through the U.S. Administration for Children and Families and the Department of Health and Human Services.

The services and agencies listed in the directory have consistently provided services and crisis intervention for those needing assistance. In some sections we have listed companies or businesses in the area for easy reference for you and it is not an endorsement of those businesses.

This guide is also available online at [www.caihaverhill.org](http://www.caihaverhill.org)

This institution is an equal opportunity provider

## Local Housing Authorities

Housing Authority offices are responsible for taking applications and managing public housing units and rental subsidies. Contact individual Housing Authorities to have an application mailed or faxed to you.

Section 8 Applications may be submitted **once** to any participating Housing Authority to be placed on a centralized (state-wide) wait list. You do not need to contact each office. You can also download and print from the MassNAHRO website at [www.massnahro.org](http://www.massnahro.org). Submitted applications must contain an original signature so it must be mailed or delivered to a participating Housing Authority. The Section 8 waitlist is several years long.

Public Housing Applications must be submitted to each individual Housing Authority. Each town manages its own public housing, and waitlists vary from town to town.

**\*\*IMPORTANT\*\*** Once you are placed on a waitlist, you must notify each Housing Authority, in writing, of any change of address. **Waitlist verifications are sent out periodically from each Housing Authority and if no response is received, you will be removed from the waitlist. No exceptions.**

## VOTER REGISTRATION

### How can I register to vote?

**By Mail:** Mail-in registration forms are widely available. To obtain a mail-in registration form please call 617-727-2828 or 1-800-462-VOTE and a form will be sent to you. Mail the completed form to your local city or town hall. You should receive a confirmation notice in 2 to 3 weeks. If you do not, please contact your [local City or Town Clerk](#) to verify your voting status. E-mail: [elections@sec.state.ma.us](mailto:elections@sec.state.ma.us)

**In Person:** Go to any registration location and complete an affidavit of registration, which must be answered truthfully under the penalty of perjury. The questions on the affidavit will include your name, residence and date of birth.

**At the Registry of Motor Vehicles:** The RMV will provide basic information from all license transactions to the Secretary of State's office for voter registration purposes. Effective January 1, 2023, the VOTES ACT requires the RMV to remove the "opt out" for voting from the driver licensing application. Applicants that wish to opt out may contact their town/municipality directly. Information on all eligible applicants will automatically be sent to the Secretary of the Commonwealth (SoC) for voter registration. The option to decline to register to vote will be removed from the application (paper and online). In addition, the deadline to register to vote will be reduced from 21 days to 10 days before an election.
